“My reasons for choosing CU were its excellent reputation and its interesting 5-year BA-LLB Honours degree. The course offered a great choice of modules with in-depth study material and excellent lectures. I especially enjoyed the Law course taught by Professor John. Chandigarh University gave me ample opportunities to explore and thrive.”

Mohammad Fahd

“CU gave me the opportunity to find my hidden talents and explore my passions. The faculty members were very supportive and helped me along every step of the journey. I learnt a lot both from academics and my peers at this institution. I gained the confidence to go in the direction of my dreams here.”

“At CU, I got the opportunity to conduct real-life experiments with living organisms as I enrolled in their Biotechnology course. Great infrastructure, fully equipped labs and excellent teaching facility instilled me with confidence and technical know-how. In fact, their scholarship made my education attainable.”
